

JUST A LITTLE TOUCH OF PARADISE IN THE HEART OF DARWIN CITY

23.06.17

To the Review Panel,

My name is Melanie Lewis and I am the licensee for the Palm City Resort licence number **80516490**.

I have read the submission provided from the Accommodation Division of the Australian Hotels Association NT Branch (enclosed) and would like to formally endorse the Submission and the matters covered by it.

Given my property's small size and limited use of our liquor licence, I would be significantly impacted by any introduction of liquor licensing fees, to the point where I would consider surrendering my liquor licence if any fees were introduced. This would be unfair to our guests and us as local business operators.

Kind Regards,
