**RE: Letter of Support**

On behalf of Darwin FreeSpirit Resort, I wish to express our support for the AHA's submission regarding the Northern Territory Government Alcohol Policies and Legislation Review.

I fully support their submission and also strongly oppose the introduction of an annual liquor licence fee as already we pay excess fees and taxes. We are seeking a sustainable and commercially viable industry, and one that continues to grow and contribute to NT Tourism.

Thank you for your time.

Yours sincerely,
